Now if anyone had the courage or conviction and stuck to their ^{first} ~~prediction~~ prediction But I want faith in mans ability to predict at least the matter of Now in 1939, I think it was the end of '39, or the beginning of 1940 I was looking through some old magazines and I happen to come across a copy of Liberty magazine in Dec. 1938 and it had a headline on it that said, A great astrologer tells what is going to happen in 1939.
