

so on. And they are ~~broken~~ broken up and divided into little sections, ~~and~~ and most of ~~the~~ your educated class ~~and~~ have been taught that that is true. And each say that the other is no good. ~~My~~ - ~~Maybe~~ Maybe that helps to win ~~and~~ ---uneducated people, but in the end if the Lord carries it is going to be determined by people examining facts and evidences and seeing what they are, and therefore, if someone is going to be a Christian leader, should not merely say that higher criticism is ~~wrong~~ wrong...there are true ~~things~~ considerations ~~that~~ which were misunderstood and ~~misunder~~ misinterpreted but nevertheless are true facts. Something of the ...and something of the ...and to show where the fallacies are ~~and~~... .and so unless ...it is an introduction to the basic matters and their criticism, and there is a vital difference between <sup>next</sup> ~~last~~ semester course and this semester's course, this semester we discussed first revelation, and we dealt with some very important things. We discussed inspiration. Then we discussed ...and then we took up the matter of the three-fold interpretation and there we ~~have~~ have some false reasons in reasoning. And when I read the ...I wondered if I had ...while some understood it...but ~~next~~ next semester we deal with the higher criticism...and therefore it is very important that we keep up each day and if anything isn't clear that you ask about it, otherwise, and so there is that final difference, , ,
