

God calls all his people to witness for ~~him~~<sup>Christ</sup> whether one is in so called  
"full time Christian service" as a minister or missionary, or whether one is simply  
teaching a Sunday School class and witnessing in his spare time, the more he  
knows about the Bible the better he is able to serve his Lord. God leads us step  
by step and we do not need to know our ultimate ~~objective~~<sup>field of service</sup> before receiving  
training that is useful for every ~~of~~<sup>worker in</sup> His vineyard.
