

unto him, Concerning Jesus of Nazareth, which was a prophet mighty in deed and word before God and all the people. and how the chief priests and our rulers delivered him to be condemned to death and have crucified him. But we trusted that it had been he which should have redeemed Israel, and beside all this, today is the third day since these things were done. Yea, and certain women also of our company made us astonished, which were early at the sepulchre and when they found not his body they came, saying, that they had also seen a vision of angels which said that he was alive. And certain of them which were with us went to the sepulchre and found it even so as the women had said but him they saw not. Then he said unto them, "and this is the interesting thing what he said to them. Did he say to them you walk with me for nearly three years, we discussed all sorts of things together. I explained all this to you. I told you how I was going to die. I told you what it means and we know he did. It is clearly told ~~f~~ that he did. I told you all this. Now why are you so surprised, why don't you understand? That is not what he said. What did he say? He said, "O fools and slow of heart ~~to~~ not to believe what I ^{told} ~~tell~~/you, not to remember what I explained to you when I was here among you. "Oh fools and slow of heart to believe all that the prophets have spoken, Ought not Christ to have suffered these things, and to enter into his glory? And beginning at Moses and all the prophets, he expounded unto them in all the scriptures the things concerning himself." What is the Old Testament, what is the scientific approach to the Old Testament? The famous Lawrence of Arabia, a man who led the ^{guerrilla} ~~gorilla~~ warfare in World War I against the Turks in Arabia, later on hid himself in an English army camp in India. And a friend there describing his life there told of a book which Lawrence had on his shelf. Among these books there were 6 or 8 books which he read constantly which were his favorite books. And one of them was the Old Testament. Yet Lawrence believed nothing of the supernatural. Had no faith in Christianity. ^{whatever} /The Old Testament to him was a book of interesting stories. A book that he loved to ^{read} ~~pour~~ over. But that was all.
