

.....It is not a question, is Russia to rule over an area, or is some other nation to rule. It is not a question of that. It is a matter that here is a group of people which under the leadership of Lenin, set ~~x~~ out with a deliberate purpose, and that purpose is to conquer the world for their ideal. And ~~their~~ their ideal constitute a religion, which, as Dr. Machen said, is ~~not~~ another religion ~~rather~~ than the Christian religion, ~~an~~ not only that, but ~~belix~~ belongs to an entirely different series. And it has a ~~different~~ difference from what the World Council says, that the World Council claims to be ~~Christian~~ ~~Christian~~ Christian, ~~an~~ and they claim to be atheists. They are very clever.

The principal feature of Communistic ideology is hatred. Whoever has a little more than you do, hate him and get rid of him. Get rid of all except the proletariat. That is, those who have not yet had anything. Kill everybody outside, eventually, perhaps not right away. And then you will have a paradise. Well, ~~xxx~~ how will you have a paradise. We have seen that is not a method of getting a parqdisse. But what it means is you will be subject to control, not merely of a few things of life but every little detail of your life. ~~R~~ Christians in China have been told, we don't interfere with your liberty, carry on your religion, just so you don't do anything against our political situation. All right, you keep on having meetings. Pretty soon they say, we want the Christians here to go out and demonstrate against imperialism. All right, they went out and demonstrated against ~~an~~ imperialism. Fine. A week later, we want you to demonstrate against Americans. And then they want to hold a meeting in your place and they put a big picture of that atheist ~~Lenin~~ ^{Mao Tse Tung} in front, and you are not allowed to touch it or tear it down. And then ~~xxx~~ pretty soon they hear that somebody in the church has made a slight criticism of somebody there, and they bring all the people of the church into sessions where they are compelled to explain why the Co/mmunistic system is just right and put under weeks of indoctrination and instruction, brain washing, it is an attempt to force the ~~xxx~~ mind to move in the direction ~~xxx~~ which they wish it to.
