

are the pastor, where you preside ~~at~~ all the meetings? Yes it is. You can get it much more easily by going ~~to~~ somewhere else, ~~xx~~ than you can by coming here. Do you enjoy ~~xxx~~ studying? Would you perhaps ~~w~~ like to be a teacher? Do you think that would be a nice way to spend your life. Well, if you enjoy studying, if you enjoy passing on knowledge, it might be a very nice life, but if that is your objective in life, you would be much wiser ~~to~~ go into some other field...end of Record 1

Record 2

.....because you feel that more than anything else in life you have a love for the Lord Jesus Christ, and a desire to serve Him. That is my hope that everyone of you has felt that way at some time in the past. But my request was that you think it through, and apply these questions to yourself, and see whether you would be able to say as Peter did, ~~there~~ Yes, Lord you know that I love you, and whether you can go on1 $\frac{1}{2}$ I think introspection is a good thing.....1 $\frac{1}{2}$

But this morning I would like to look a little further ~~xxxxxx~~ and to see what Jesus ~~said~~ said when Peter said that he loved him~~self~~. I heard a man ~~say~~ say once, we were at a meeting, and this man was an elder in a very very fine church, and this man said, You know, he ~~said~~ said, people talk~~ed~~ as if the purpose of the church is to win souls, and he said, That isn't it at all. The purpose of the church is to ~~xxxxxx~~ glorify the Lord. He said that the purpose of the church is to hold a service that honors Him, it is not to win souls, that is not the purpose of the church. Well, as the elder said it may be all right, but certainly you can go a little further in the direction that he spoke, and you can get an attitude which ~~was~~ has been taken by many. I know of a many ~~who~~ who ~~went~~ went into a church here in Philadelphia here thirty years ago. There was a Presbyterian church that would seat 600 people. When this man was installed this church was absolutely full. Never again was ~~at~~ full again. The next service there were less, but they had a very sizable number there. He preached there, and people said, We don't like the way you are preaching.
