

mighty well. And I am not half as interested personally in deciding which it is dealing with, as I am in seeing how much of it there is which can be applied to me in my present, and which can be a help to me now. And I will say this, that whether it is a description of the unsaved man, or the saved man, there is an awful lot that can be applied very directly to the saved man, for that which I do I wot now, and that which I do not, that I do. That is certainly true of everyone of us. There is a law in our members warring against the law of my mind, and leading into ~~in~~ captivity the law of sin which is in my members. Oh wretched man that I am, who shall deliver me from the body of this death. Who shall? If I lie down...8 $\frac{1}{2}$..., ~~B~~ but thank God~~k~~ if we are truly saved we will not lie down, and be perfectly content. If you do that very long, it is proof you have never been saved. But God says that ...8 $\frac{1}{2}$... to stir up one another to remember of what his will is for us, and to take these turths and present them to one another, and make them real and vivid to our hearts that we may realize our condition, our condition in which there is a law warring ...9... bringing us into captivity to the law of sin, but there is a Christ who is sufficient for this, who is able to handle it, one who gives us a gift which is eternal life for our justifica~~x~~tion, but who is willing and able and anxious to give us the gift of deliverance from the sin which does so easily beset us, to help us to overcome this attitude, and that attitude, and~~t~~ to become aware of this thing, and that thing, and more and more to be made into the image of God. Oh that God would enable us each one to look this thing of sin in the face, and to see what it is, and if we have been saved to say Praise God, He has delivered me, and justified me, but Oh, God help me to escape....~~7~~ 9 $\frac{3}{4}$..., Give me that cleansing within ~~in~~ my members from this attitude that I am Number One, what do I care about the others. Give us a heart that yearns for God's people to help them, a heart that is determined not to injure God's people, but to do our part in helping them, and in spreading the word of ~~in~~ Christ. An attitude that is determined not to injure~~d~~ God's people by casting about and picking
