

the war was over said, Thank God, we are rid of that man. Now, we can go ahead and preach the gospel, and ~~Not~~ not have to even think about politics in any way, shape, or form. And then they found that their section of Germany ~~is~~ had been turned over to the Russians to administer, and the Russians ~~is~~ proceeded to develop a communist party, and to give it control. And what should these ministers do? Should they ~~is~~ speak out against the effort of this communist group to take control of the hearts and minds of people, or should they say, We'll keep out of politics, and we will simply preach the gospel. Well, if they took the latter course, I am sure that they are by this time find that it is an unworkable course under communism. It says here that the Evangelical Church has ~~not~~ stood like a massive ~~road~~ road block to the communist march to comunize east Germany, and is predominantly Protestant, 17½ million people. But the Reds have confr~~o~~nted Christian road blocks before and have developed their techniques and technicians for chopping them down to size.
