

(record unclear, full of static, from  $\frac{1}{4}$  to  $3\frac{1}{2}$ )

( $3\frac{1}{2}$ ) ...and the result was that there were about a dozen young students at Union Seminary who refused to register, stood for their convictions,

They were put in prison

The men at Union Seminary who taught them

jumped on the bandwagon and decided that to destroy Hitler was right and joined in fighting against Germany. And when these young men were put out of the penitentiary

they went back to Union Seminary and asked to be received again as students and the professor said ~~yes~~ we're very glad

provided you make no trouble for us, no difficulty, and will keep quiet about your differences with us in our stand for fighting against Hitler.

And so these young men who had suffered in prison for some years for standing by what they had been taught, could not now go and give their

(5)

and so they applied at the University of Chicago Theological Seminary, and they went there.

And I saw those fellows there and I said here are these fellows who had suffered for something they believe in, but they were led astray and the people who led them astray refused to stand by them after they

Jesus said woe unto him that shall lead one of these little ones astray. Woe unto him, it were better that a millstone were hung about his neck and that he were cast into the sea.

It is important for us to learn that we live in this world where Satan is active and though the Lord is going to destroy Satan in the end, there's no question about it, but he has put us here to resist the wiles of the devil. He has put us here to stand against Satan in the most effective way that we can find. ( $6\frac{1}{4}$ )
