Kruschev is just a human being who is used by the forces of evil. And the forces of evil are using some of these professors who are spreading unbelief, they are using them. (5 1/4)

We should try, even some of them might be converted. We should have a friendly attitude toward them

to that which they represent, and determination to see that if the Lord come back before any great// (5 1/2)

And if ~~h~~ he should give us another mighty outpouring of His Spirit

Who knows when he might do this, who knows when he might

through a united stand, through our protests and testimony to the Word of God, if our Lord carries.

It is amazing to me the one who tries to keep quiet about the in thinking that he accomplishes something

We had a man, Dr. Chisholm, who is here, a missionary in Korea, and he told us a little ~~story~~. He said that in Korea (6 1/2)

But those ~~shrines~~ were supposed to have in them the spirits of the ancestors of the Japanese~~d~~.

He had to leave the country. And about the same time that he left another (7)

he submitted to them. And Dr. Chisholm was in Japan and took the boat for America, and this other man who came
