

struggles and toils, gets a man here and a man there

God has a plan. That's the fourth vision here that Isaiah saw. God has a plan.

God does not destroy every ship that is built by man (10 1/4)

(10 1/2) but now ~~HE~~ He has His plan and we may not understand His plan. It may be His plan to bring us another period of (10 3/4) depression.

(11) It may be His plan that

end of

the age, that we should gather one here and one there, and should plan (11)

We do not know but we know He has one. And we know that what He wants

above all,

to look to Him constantly to renew

with a coal from off the altar, to

be conscious of His presence all the time, to be conscious of that all the time (11 1/2)

(record unclear to end, 13 1/2)
