

JONAH

ZZZ

- 12 Not sinless in order to serve
- 13 God is determined his message shall go to Ninevah
 Important thing is not where we are what what we're doing where we are
 Jonah had a special work to do
- The City of Ninevah
- 14 Facts about its size, etc.
- 15 Revival under Jonah did not keep it from being destroyed 200 years later
 Think about the U.S.A. and its unparalleled history
- 16 Jonah's failure, ch.4
 A man of contradictions
 Bold for the Lord, yet selfish
- 17 All of us have a long ways to go in our sanctification
 Bible's unique character
 Points out the sin of its people
- 18 Jonah should have been organizing Bible classes in Ninevah
 Same situation as with Elijah after his wonderful stand for the Lord
 Elisha conserved the results of Elijah's ministry
 Nobody conserved Jonah's
- 19 Jonah's misplaced patriotism
 The thing that distinguishes western civilization is the Bible teaching
 Not western civilization but God's Word that has made the difference
- 20 God's object lesson to Jonah
 The nonsense of "no one has the right to hear the gospel twice until
 others have opportunity to hear it once."
 Francis Xavier's zeal not according to knowledge
- 21 Never consider anyone hopeless
 God is interested in nations, world history, but also the individual.
