

Christ will be raised, and we who are alive will be caught up with them to meet Him in the air.

While He tarries, let us support our watchmen. Let us spread the glad tidings, that Jesus gave His life to save all who will believe on His name. Let us herald the offer of salvation as widely as possible. Let us prevent the intrusion of evil as far as we can. Let us alert Christian people everywhere to the dangers that they face. Let us call upon them to come out from the apostasy and to establish true churches, sound in the faith, and loyal to the Word of God. Above all, let us keep our eyes on Him who alone can bring the morning. Let us glory in His blessed promises that He will return and set up His wonderful Kingdom of happiness and peace upon this earth. Let us listen for the shout!
