

...this is a day when Satan , like the woman who secreted the yeast in the measures-- the leaven in the meal--has distributed unbelief very widely in the Christian church. It is a day when we need to follow the command of Paul who told us in Galatians that if any man preach any other gospel unto you, than that ye have received, let him be accursed. It is time when we should follow the command ~~th~~ of John which he gave in his 2nd epistle, when he said, if there come any unto you and bring not this doctrine, receive him not into your house neither bid him Godspeed for he that biddeth him Godspeed is partaker of his evil deeds. It is time when we need to separate ourselves completely from apostasy and unbelief, it is time when we need to have no cooperation with unfruitful works of darkness, but rather to reprove them. It is time when we need to take to heart the statements of ~~Christ~~ Paul in 2 Cor. 6 when he said be ye not unequally yoked together with unbelievers, for what fellowship hath righteousness with unrighteousness, and what communion hath light with darkness, and what concord hath Christ with Belial, or ~~what~~ part hath he that believeth with an infidel and what ~~agare~~ agreement hath the temple of God with idols ~~an~~ for ye are the Temple of the living God, wherefore come out from among them and be ye separate, saith the Lord and touch not the unclean thing, and I will receive you. As Matthew said, he that is not with me is against me, and he that gathereth with me scattereth abroad. We should be Matthew Christians, we should refuse to cooperate in Christian things with those who deny the truth of Christ. We should do everything we can to keep those who come to know Christ under our influence, from placing themselves under the leadership of those who deny the truth of, and who will lead them astray. ~~Maybe~~

Here, May be I should tell about the time I saw Billy Graham on the radio after his speaking to the Northern Baptist Convention.

Here, Matthew seems then to give us a clear definite statement. And yet the question must be asked, Can we take this statement alone out of context? Can we ~~made this~~
