

Now if any of you were puzzled about this before, you might have to read archaeological tomes to get the answer to this. But now that this new edition to the Scofield Reference Bible has come out, all you have to do is to turn to the foot of the page and read the footnotes that I wrote, that I put on this page here.

I don't think those of you who are constantly reading the Word of God, presenting it and dealing with Christian people often quite realize what the influence is among the great mass of American people and particularly the educated class. Because you find unbelief and denial of the Word of God just about everywhere you turn nowadays.

Turn to the foot of the page and read the footnote that I put on this page.
