Lord Jesus Christ. In fact, \_\_\_\_\_ in the Scripture we are told that this age is to end in misery and destruction rather than in the universal success of the gospel. Jesus said, Blessed are the peace-makers, for they shall be called the children of God. ~~And one who~~ and the one who makes peace is not one of those say, Peace, peace, when there is no peace, and let us destroy the arms, but they are those who bring the gospel of peace to the <sup>people's</sup> hearts of men. They are through the Lord those who tell people how they can be saved ~~by believing~~ Jesus Christ, and the result is that these people's character will change, and as far as is the <sup>ed</sup> preaching of the gospel is effective to that extent, or \_\_\_\_\_ \*(5.10) peace, peace in general is extended. You ~~ea~~ cannot ~~peae--~~ have peace on earth, while the <sup>with God</sup> people on earth are at war. You ~~o~~ cannot have ~~peae~~ peace in the hearts, if the hearts are in enmity with God. We must ~~ge~~ first get reconciled with God, and then ~~bring the peace of the gospel--~~ we must have the pace of God in our hearts, and the more people there are with this attitude, then the wider the general area of <sup>where</sup> peace extended. That does not mean that in any particular <sup>the</sup> area the great spread of gospel there will necessarily be ~~more~~ peace in that area, because the forces of Satan are active in this age, and he has been always active in this age, and always will be active in, until the Lord Jesus Christ will remorive Satan from this world. As long as he is here, there will be wars, and ther e will be rumors of wars, and the Bible rebukes those who <sup>cry</sup> says, Peace, peace, when there is no peace, those who ~~say, -peace, -peace,-~~ call themselves as peace-makers, not peace-\_\_\_\_\_ )3.80) ~~Of-~~ And the way to ~~amekk-~~ make peace is the spreading of the Gsopel ~~for-~~ of our Lord. Of course, it is true that we should give our support to every measure which is a real promise of ~~realing-extendingly~~ extending peace, and preventing war. But as is often said, when one puts peace ahead
