the people who think/unthinkable _____ if the hydrogen bomb/were dropped, how would they get _____, how many people we would be saved through it, and so on, and at the end of the article he said perhaps the grandest that is going to happen is that the people will realize how terrible ~~to~~ these things are, and that as a result there would be no more war. I could not help ~~by~~ thinking of ~~a~~ the article in that was published about/1300. In 1500 A.D. in England, an English observer ~~rean-~~ remarked that now ~~the~~ that the long pole has been inv~~en~~ted, so much further than the _____ (8.00)

Otherwise there would be no more wars. This must have been something like _____ 1300-B.C. 3,000 B.C. when copper wea^{pon} was invented. And those. . . . who invented copper weap^{on} were in the Neareast, and were ~~rather~~ then able to conquer the near regions in their neighborhood, until some ~~other-~~ one else could conquer it, and practically every town in the nearest was burned and destroyed when the copper weap^{on}s~~was-~~ were invented. The people ~~of~~ did not get togethe~~r~~, and the people were willing to war then. . . . This verse is a ~~w~~ wonderful verse, and states a ~~tr-~~ great ^t ~~gr~~uth that is going to come. But how foolish people are not to read the whole verse The first part of the verse, let us start with ~~the~~ the end of the ~~the~~ verse before.

"For the law shall ~~fo-~~ go forth out of Zion, and the word of the Lord from Jerusalem. And he shall judge among many people, and rebuke strong nation from far off, and they shall beat their swords into plowshares, and their spears into pruninghooks: nation~~of~~ shall not lift up sword against nation, neither shall they learn war any more." This is a prediction of cessation of a war. This is a prediction of the time of universal peace which is going to come, but it is going to come by the establishment of a st~~ro~~ng ~~rules-~~ of _____ which ~~is very important to the~~ will enforce peace throughout the earth, and when the United Nations was founded,
