

Sometime ago I was talking with a man who was a ~~teacher in a~~ student
trunk.
in a Bible Institute. He had just gotten a most lovely ~~truck~~. He was going
as a missionary and he said this ~~truck~~ trunk was a wonderful thing for him because
it was hand made and made in such a way that you could open it up and have
a writing desk and have particular things that would be tremendously useful
in the pioneering area ^{of the world} in which he was going. And he said, "I got that for
three dollars." And I said how did you ever get a ~~tra~~ trunk like that for three
dollars." Oh, he said, this fellow over here, you know he told me about six ~~month~~-
months ago that he had liberty to make a ~~x~~ very special trunk and so he ~~he~~
neglected all his study and all his work. He just worked day and night, working
out this wonderful trunk that ~~ix~~ he was going to take with him when he went to
the mission field. And then he said one day the fellow said, I don't have any
liberty to keep a trunk any more. I ~~x~~ put so much time on that truck and I should
have put it on my studies. I ^{I'm way behind} ~~wish~~ don't have any liberty for it any more so
I have to get rid of it. ^{You can have it for \$3.} Well, it ~~was~~ was a wonderful thing for him, but I saw
him about two or three months later and I said How is your ~~fir-fri~~ friend getting
along. Oh, he says he has ~~k~~ liberty to make a new trunk, so he is not doing any
study now. He is working on this new trunk. It is very easy for us to get a feeling
that ~~x~~ we should do this or that we should do that. It is easy for us to have the
feeling ~~k~~ of liberty for this or that, to like this or don't like that and that ^{may not} ~~doesn't~~
prove anything at all about what the Lord's will is for you. Learn what your talents
are; ~~you~~ your ~~ability~~ abilities are and that can be tremendously useful in learning
the Lord's will, but ~~ix~~ the fact that you don't particularly ~~di~~ like something doesn't
^{necessarily prove} ~~mean~~ that you don't have the ~~x~~ ability to do a first class ~~joy~~-job if you will apply
yourself to it and get into the ~~sub~~ subject |11
