

to the people in a way which he could never have possibly done, if God had not caused him to undergo the terrible experience in sending him into a ~~circ-~~ ~~the~~ circumstance^{but which enabled him} ahead that he could not predict, ... ~~to~~ be God's instrument in a remarkable way in that situation. We never know the experiences which might come to us in life, How God is ^{fitting and} preparing us for something ahead a little distance away or perhaps a long distance away. But God wants us to learn ~~to~~ so Know him that we are ready to recognize that all ~~the~~ things together work for godd for those that love the Lord. ^{and that} Whatever comes ~~to~~ into our lives, it brings us closer to the Lord rather than takes us away from Him. God wants us to develop, most of all, in this direction the personal knowledge of God. But the most important of all, although ^{of no value this} ~~without~~ is our knowledge of the mind. God has given us our ~~guide~~ guide for it. He has given us our ^{map} ~~men~~. He has given us the principles which should govern our lives. In His book are the ^{that will} answers to all the problems/~~you~~/face. But we cannot get to know them, except ~~we~~ as we study the book constantly, and not just to get a message for us, ~~but~~ just a professional purpose ~~of~~ to give a talk on it, but in order that we may understand ~~it~~ ^{be} the principle and/~~ready~~ to apply them ~~as~~ as our live develops out and the situation where ~~we are in~~ the teaching of these principles will give us answer to the problem that will come before us. But the personal increase in the knowledge of the Word of God is one of the most important ~~things~~ ways in which God wants us to develop our ^{Talent.} ~~time~~. He does not simply want/~~us~~ to know just a few verses. He does simply want/~~us~~ to know just the main sections. He wants us to fill ourselves with the contents of every portion of that, ^{word} so that we will be able to understand the principles of His kingdom and apply them ^{as situations} ~~to our daily life~~ and develop ~~them~~ in our lives. Now, the
