

the ground that the distance ~~that~~ is measured in the International or Olympic meter instead of the United States yard. Many developers call any large pool olympic size because it sounds ~~xx~~ good in an ad. In other words , an ~~x~~ olympic size pool might be one which instead of being a certain length in yards would be a few inches longer or shorter ~~the~~ if you measured it in meters. I am sure that ~~x~~ very few people who hear ~~the~~ term think of ~~what is being in~~ that as being what is ~~indicated~~ indicated by it. Well, we are ~~x~~ in as bad a ~~situ~~ situation as that in relation to inspiration, because many people declare a belief in ~~inspiration~~ inspiration that and ~~define~~ define the terms in such a way ~~as~~ it actually does not mean anything when they get through. The New Testament , the King James version ~~instance~~ ~~x~~ uses the word inspiration only once. And that ~~is~~ in II Thess. , or II Timothy 3:16 / rather , where we read in the King James Version, All scripture is ~~giv~~ given by inspiration of God. Now that is the only case in the King ~~James~~ James New Testament where the word inspiration is used, but we are in the same situation ~~in this~~ regarding this word inspiration as we are ~~x~~ regarding the trinity, regarding the deity of Christ, regarding most of our doctrine, the terms that we use are not terms which are used in a certain sense - sense always in the scripture, and ~~that~~ *then we take the* becomes a theological term. ...in order to represent ~~represent~~ an idea, which is gathered by a comparison of various portions of the Bible. We are absolutely sure that the Bible teaches the trinity, and when we say the trinity we mean a very ~~x~~ specific idea, we don't mean that there are three gods, we mean that there is only one ~~god~~ God. One God exists eternally in three persons...have believed in the trinity right ~~x~~ from the
