

of water, which was usually a great help to me, and I feared that the
--there is a force that is ...God wants us to have one that comes from
...but ~~it~~ I remember one place there where I called at a house and a woman
came to the door and I started to tell her about the book ~~xx~~ and she immediately
...and after I finished as I looked at her ~~swold~~-scowl, I thought that ~~that~~
this lovely little tract that I had gotten from Mrs. _____ would be just the one
to give to her. And I took out this little tract on the lovely ~~ness~~ iness of Christ
and handed it to ~~you~~ her and you ought to ~~have~~ have seen the change that came
over her. She immediately smiled and was so friendly, Why, she said,
are you a Christian young man, I'm so glad to see you. And we ~~w~~ talked
about the things of the Lord for a few minutes and ~~x~~ had the most precious
Christian fellowship, and then she said, Now, let me see that book ~~again~~-
that's one thing you are not going to see.
again. I said/, That's a good book, and I'm trying to ~~sell~~-sell as many as I
can, but I'm not selling it to anybody because I'm a Christian ~~or~~ young man,
and I did not ~~see~~ show her the book, ...I wouldn't let anybody buy in ~~ored~~
order to help me. But I was glad to have the Christian fellowship with her,
~~x~~ but I said what a shame that the Christian scientist would have more of
this grace. What a ~~shak~~ shame that when a ..she probably was a real Christian,
but there was ..God ~~want~~-wants us to ~~xxx~~ bear the external fruits/, but above
all he wants us to bear the internal fruit, to have the fruit of the spirit in
reality and also in these little external ways that show ..with these people,
so ~~you~~ now you ~~y~~ notice that the fruit is mentioned in these places and not only
the fruit is mentioned, there is also mentioned ~~the~~ the leaves, it mentions how
it brings forth its fruit in its season, and its leaf also ~~xxx~~ shall not wither.
It's mentioned in Rev. 22 where it says ~~tha~~ t the ~~leax~~ves of the tree were for the
