~~-I should have realized---~~ but of the Canyon, Now, the reason that I wanted  
to go down the Eastern side, I should have realized ~~that~~ about the strate  
because when I was on the Western side I got wonderful ~~glimpases-glimpases~~  
of the Colorado River, but the levels ~~a~~ often ~~reas-~~reached ~~away~~ over, and  
the ~~freep-~~drooping was not absolutely free. And ~~some~~ some one told me that  
on the Eastern side you get much more ...the Eastern side, sometimes konly  
had ..but I did not mention any..and in addition to that if I had ~~me~~ made  
the inquiry I probably..and even in places ~~ix~~ where ther often is water  
~~-I started-~~there was none that wyear. I ~~starete-~~started out that year,  
and then ...so I started ~~i-th-~~in there so I had ..and I tried to use very little  
water, but ~~w~~one day I found I was getting rather low in water, and I began  
hunting for a spring, and was looking for some sort of water, and that night  
I ~~sa~~ lay down to ~~se~~sleep and had very little water and was very thirsty and  
picked up my can and took two big gulps and it was empty. And I had  
come some dist~~ance~~, during these several days, it would be very ~~diffulet~~  
difficult to go back. ~~k~~ And I had been hung~~ting~~ all day for water, ..well,  
I had a..for just a few minutes I really panick~~ed~~ and then I realized that  
the Lord had given me a very special training that I was sure that He intended  
me to use in His service and I had care~~less~~, but I had not disregarded ~~the-~~  
in getting into this situation  
..though I had made a mistake, and I reached the conclusion that the Lord was  
going to bring me out of it and from that minutes~~x~~ on I had not a moment of  
panic but I did have considerable disagreeable experience. That night I couldn't  
sleep, ~~but~~ I got up and took my ..stuff and put in on my ~~ba-~~..but I took the
