

Jesus said, Abraham ~~said~~ saw my day and was glad. It is only as we find in the Bible, that God came ~~kd~~ down to earth, the second person of the trinity. God gave ~~h~~ His only begotten son, in order that our secret sins ~~the~~ and our presumptuous sins ^{should} ~~could~~ be atoned for, and ~~it could only~~ in order that it should ~~e~~ be made possible for us to be led of Him in ~~us~~ such a way that we ~~would~~ will gradually be transformed into the image of God and made as ~~h~~ He wants us to be. It is only as ~~He takes~~ His Holy Spirit takes what Jesus ~~did~~ did on the cross and makes it available to us that the answer can be given that the Psalmist has here. Let them not have dominion over me. Then shall I be upright, and I shall be innocent ~~of~~ from the greater ~~transig~~-transgression. Let the words of my mouth and the ~~my~~ meditation of my heart be acceptable in thy sight, O Lord, my strength and my redeemer, what is our responsibility to God. All people have the responsibility to glorify Him. All people, if they will look at nature, will see the signs of God there, but ~~they~~ they shut their eyes, they ~~are~~ are willingly blind to the evidence of God that is all around. All people have the responsibility to ~~study~~ study ~~God's~~ God's word, and to ~~see~~ see what are the standards that ~~the~~ He wants us to follow, ~~and strive~~-but when we try to do that, then we find that our responsibility goes further than that. We have the ~~responsibility~~ responsibility ~~that~~-to accept the redemption that God offers to take Jesus Christ as Saviour and Lord, and then what a responsibility we have to make ~~it~~ it known to ~~others~~ others, that they also may escape the perdition that is ahead to those that belong in the way of presumption. And receive the wonderful blessing that God has for all who ~~em-~~ come to him. through Jesus Christ, Let the words of my mouth and the ~~mediatio~~-meditation of my heart be acceptable in thy sight, O Lord My strength and my redeemer. (Prayer) ~~x~~.
