

would go through the whole land ^{should he?} of what he had done. He should have found a cave there on ~~the~~ mount Carmel, and gone in ^{to} the cave and slept two ~~xxx~~ or three days ^{and} gotten himself rested and in shape to come ~~xxx~~ out ^{and} to go through the land and present the word of God and do the ~~xxx~~ follow up work which ^{not} was ~~necessary~~ if that great thing that he did ~~the xxx to xxx~~ there was to accomplish anything. But what did he do? He was ~~xx~~ just like you and me. We do a ~~big~~ great work and we are so tense ^{worried}, so excited, we are so enthused ^{about it} that we cannot sleep. We cannot rest. We have got to be doing something more until we drop ~~it~~. We drop and the work dies, instead of learning to put ourselves in shape to do another days' work and ^{to} carry on and follow ^{to} up, and so Elijah knew that God had promised that God ~~was~~ would now ~~en~~ ^{end the} new ~~in the~~ drought but Elijah could not wait. The servant ~~came~~ comes back and says, No, I do not. Go up again. Seven times he would send him up there, and Elijah was all excited, Is God going to send the rain? God sends ^{well here to the} fire from heaven. ... He ^{had} made the great scene there ^{he} fore everybody. ~~there~~.

Why does he have to be constantly watching for the rain to come? Why ~~xxx~~ can't he get ^{into} the ~~dxxx~~ cave ~~th~~ where he will be safe from the rain and let it come in God's time? But he sends ~~the~~ ^{the} servant up there seven times and finally the ~~serv~~ ~~serv~~ servant ~~comes and~~ says there is a little thing like a sign of man's hand, a little bit of cloud appear. ^{oh} Elijah says ^{the} that is wonderful. God is going to send ^{the} rain. So, he ^{thru} comes to Ahab.
