

the person who does not have heaven in his heart could <sup>not</sup> be happy in heaven. It is a very beautiful concept and is very well brought out. But the titles ~~does~~ does not give ~~you~~ you any idea as to what is in the book. Maybe that was the publisher's fault. I ~~do~~ not know. But at any rate, the book I found very interesting and helpful and one <sup>most</sup> ~~more~~ interesting thing in the book ~~is~~ was where this man was visiting heaven, <sup>and</sup> he saw a great procession coming and people were singing praises, <sup>and</sup> shouting and the horns were blowing. <sup>And</sup> he thought who is this great Christian leader that is now coming, <sup>then</sup> that is receiving all this tremendous acclaim,? And when the person arrived, <sup>And</sup> it was somebody whom nobody had ever heard of. God's reward in heaven is not going to be based ~~on~~ upon what we have accomplished or how much ~~the~~ people have praised in this earth, but it is going to be basee upon our real character, our real attitude toward Him, ~~and that is what it should be,~~ and if that is what ~~we~~ it should be, we may accomplish a tremendously lot and we may accomplish comparatively little, because there are many outside factors that enter ~~in~~ into our accomplishment, but in the end it is what He thinks of rather than what people think, that matters. <sup>us,</sup> Elisha e e And so I think that ~~Elijah~~ Elisha is going to receive ~~tremendous~~ tremendous credit in heaven as I look at what he did and how he picked up the pieces of this tremendous work that Elijah did and carried on and accomplished and made Elijah's work accomplished ~~fifty~~ fifty-fold in the ~~end~~ end than what it would have accomplished if it had not been followed by the work of ~~Elijah~~ <sup>she</sup> Elisha. But here we see this humble attitude which ~~Elisha~~ Elisha was willing to take toward Elijah, so that when you get over into II Kings 3 <sup>after</sup> at Elijah's death, and they are looking around
