

Think of what he could have accomplished ~~instead of~~ if he had done that  
 instead of running <sup>away</sup> before the empty threat that Jezebel gave him that she  
 could not have possibly carried out. Oh, if Elijah was ~~was~~ unable to do  
 that, but if he had been able to find people who <sup>was</sup> capable of doing this  
 work, and going about and teaching the people and train <sup>ing</sup> them and leading  
 them and to <sup>have</sup> gather ~~together~~ these people together and to give them some  
 instruction and then <sup>to</sup> pick the best ones <sup>one of them</sup> ~~up to be administered unto them~~ to be  
 an administrative supervision <sup>over</sup> and told them to go out and do the work,  
 and had something like that immediately after the great ~~deal~~ <sup>scene</sup> on mount  
 Carmel. But Elijah was unable to work <sup>with</sup> others in <sup>him at all,</sup> It took Elisha to work with it.  
 But Elisha was willing to sink his personality, <sup>to sink his feelings, to sink</sup> ~~to sink~~ everything, because  
 here was a great man of God that ~~God used and he was~~ <sup>and</sup> God was using, He  
 was ready to do <sup>his</sup> ~~the~~ utmost to make his work accomplish and last. But all  
 these years <sup>are</sup> ~~of~~ wasted, <sup>became</sup> ~~And~~ the great impression of Elijah on mount Carmel has  
 had time to be ~~confiscated~~ <sup>dissipated</sup> and scattered, and people  
 remembered <sup>as</sup> ~~it~~, something <sup>the</sup> to tell their ~~children~~ <sup>children, and</sup> something that happened long  
 time ago. I do not know how many years, but a few years at least. The  
 time has been gone, but Elisha has ~~been~~ <sup>being</sup> trained, and now Elisha  
 is going to take over, what is the next necessity. Is it the next necessity  
 that he step up and say, Elijah is gone. His faults were bad, but <sup>they are not</sup> ~~his~~  
 here any more. I am here. ~~I am here.~~ I am Elisha. People will say, Who  
 are you? <sup>would</sup> They have forgotten about him. I ~~have~~ known ~~of~~ people like that.  
 I have known ~~of~~ people who succeeded ~~to be~~ a great man, and they are so  
 afraid that somebody <sup>will</sup> ~~may~~ think that they <sup>just</sup> are a poor copy of that great man.  
 And so they are determined to be entirely as different as they can, <sup>from those whom</sup> ~~when~~ they
