

It has not reached ~~that~~ the top circles at all. Most ~~of~~ people do not know about it yet. Most people ^{have} never heard of ~~Elijah's~~ ^{Elisha} ~~existence~~. They knew Elijah had a servant, ~~and~~ ^{and} maybe they have forgotten his name. It is like when ^{Farrel brought} Calvin ~~took~~ the Council here in Geneva. The council simply recorded that Far el came and brought with him ^{Frenchman} a young friend

~~of his~~ who was going to assist him in the work. ^{Let me} All they knew about ~~Elijah's~~ Elisha, and they have forgotten about him now. But here ~~is~~ ^{they are in a} desperate situation, ^{one} Jehoshaphat ^{he} ~~who came~~ along, the godly king of Judah, unfortunately in very ungodly association. ^{Here and} Jehoshaphat said, We are in this awful situation.

What are we going to do? Isn't there a prophet of the Lord around? ^{He} ~~He~~ should have ~~known~~ brought along ~~with us~~ some prophets ^{with him in the first} of the Lord.

^{plead: But} He did not want to displease Jehoram, No. It was only when ^{he} they got into a crisis that he saw that ~~that~~ ^{they} he had to stay by his colors. So he says,

What shall we do? Isn't there a prophet of the Lord? And one of the king's ^{well} of Israel's servants says, "Here is a man" who poured water on the hand of Elijah. That is not much, of course. It is not much, but it is ~~still~~ better than nothing. So, they called in Elisha, and when Elisha gets in

there, ^N now you see, ~~Elisha~~ ~~Elisha~~ Elijah's boldness. Elisha was a kindly, humble man, but when he faced the crisis, he was just as bold as Elijah.

And look, what he did ^{here}. Out there with the army in this situation they bring him before the king, and he faced the king of Israel, and he says, ^{get thee to} What have I to do with thee ~~who have killed~~ the prophets of thy fathers ^{to} and the prophets of thy mother? And the king of Israel ~~said~~ ^{says}

unto him, Nay: for the Lord hath called these three kings together, to deliver
