

and have people kind of put me on a pedestal and look up to me . Well, God doesn't want us to have that ~~attitude~~ attitude or that ~~that~~-attitude. He wants us to take the attitude that ~~attitude~~-we want to do what His will is, I know of people who <sup>have</sup> ~~wnt-want-to~~ become foreign missionaries because they just ~~jo~~ love the thought of going to a foreign country, and having new experiences and ~~for~~ ~~---but-how-wonderful-it~~ oh, it would be so posaic to serve the Lord in this country, and how wonderful to serve the Lord in another country. And I have known other people ~~th~~ who thought the most disagreeable thing they could possibly do ~~k~~ would be to go away ~~f4em~~-from their ~~countries~~-~~won~~ own country to other circumstances and with out the comforts that we have , and ~~having~~ have to learn another language and ~~g~~ have to go through the misery of travelling there, and they just felt that ~~this-is-the-whole~~--since this is the ~~most~~ disagreeable thing they could think of , they must do it to show that they love the Lord. And God doesn't want us to take either of these attitudes. He doesn't want us to do the thing because we want to do it, He ~~wa~~ doesn't want us to do this thing because we hate the thought of doing it. But he wants us to be ~~encie~~- anxious to do what His will is regardless of whether it is what we like or what we hate, He wants us to put Him absolutely ~~k~~ first , and if we are in the situation where our own feelings are removed from consideration and only God's will ~~is~~ is in our heart, then we can know ~~th~~ that He will guide us with His eye, He will lead us, He will help us to see ~~exaxctly~~ do, what He wants us to ~~see~~, and then of course we can take the circumstances and <sup>such</sup> study them, ~~the~~ circumstances of our own situation, ~~our~~-- our ~~own~~ own age, our own particular abilities, and get other people's advice on them as to what they can do and what they would fit into. There are many things like that, we can get evidence ~~for~~-from ~~various~~ directions, we can study it and see how our
