

this man was brainwashing the students. I was reading about the German
 universities today, the German universities, ⁱⁿ /~~in~~ West Germany are filled
 with Communist propaganda, and great industrial companies of Germany ~~which~~
 which are going forward so wonderfully under the free enterprise system,
 are giving prizes for the writing of papers and poems and so on, and half
 of them, poems and papers and so on, that the students are writing are
 praise of ~~of~~ Communism communism and attack on the whole system. But
 the companies are paying no attention to what's in the papers; they are
 simply letting someone judge them on literary ~~of~~ ability, and giving them
 prizes. And thus we wonder what is ahead for us. Well, the people
 probably ~~in~~ Israel, the bulk (majority) of them, had no fear. Jerusalem
 had stood for centuries; they knew it would go on just as it had been. But
 there were many who were concerned, and there was one of those whom the Lord
 led to write this, "Mark ye well her bulwarks, consider her palaces, that
 ye may tell it to the generation following." And then he continue, "For
 this God is our God forever and ever; he will be our guide even unto death."
 [And so ~~xxx~~ in the context what this verse says is, "Our city may be destroyed;
 we may be taken into exile; we may be reduced to slavery; we may be tortured
 and have to suffer for our faith, but we know that through it all God is
 guiding; God ~~is~~ is leading. We know that if that is the Lord's will, still
 it's God's rule (not clear) and He is leading. I would say that
 if there were ~~xxxxxx~~ something that we could do that/~~xx~~ make it certain that
 Communism would not take over our nation, we should discontinue school for a
 month and go out~~!~~ and do it by all means. But in the situation as I see it
 anything that we can do now to deal with these forces is like a little prick
 of a pin on the skin of an elephant. There's practically nothing we can do
 at the moment that's going to have much effect in these things. ~~What~~ What
