

Tabernacle of the congregation that protected them. We will get into those situations if ~~if~~ we stand absolutely true to the Lord. And some of those whom we think will be most loyal may turn against us, but God can protect us if He chooses or He can choose to have us go under in order to glorify Him. We don't know what His will is. But Oh if we keep our eyes on Him we will always be glad we did His will whether He stands behind us as He did them here ~~if~~ or whether he chooses to sacrifice us ~~from~~ for His own purposes. Ordinarily if we keep our eyes on Him we will be ~~able~~ able to accomplish for Him though we may go through some pretty difficult situations. And almost everybody who has accomplished for the Lord has gone through some pretty difficult situations. And so we have the people's terror here but we have God protecting in it, and we know that if we are headed for the promised land we will get there if we keep our eyes on the Lord.

O God our Father help us to see the many things that are so vital for us in these chapters. Help us also to understand the problems in them, and help us to see the difficult matters in them to see what your truth is. Oh our Father your book is an infinite book; it contains so much we cannot possibly get to the bottom of it. It is food for our souls. Help us to feed upon it. Help us, we pray, to grow in grace and in the knowledge of the Lord. And Oh our Father we look at this group here and we just pray that if our Lord tarry every one will be an effective leader for God in the days ~~and~~ ahead. We ask in Jesus Name, Amen.
