

which has begun a ~~w~~ good work in us will continue it ~~xx~~ that if we have truly ~~f-hic-~~ believed in Christ. We fail, but He never fails . He is always faithful and so God ~~has-~~ had His purposes in Israel then and He has his purposes in ~~I~~Israel today. Frederick the Great of Prussia was that great skeptic , that unbeliever, that scoffer, and he got ~~called-that-French~~ Voltaire, that leader of ~~&~~ French skeptics and unbelievers, and brought him over to France to live in the courts with him, in order that he could spend his spare time writing ~~fx~~ French works and amusing himself with the witticisms of Voltaire. And Frederick's people at that time were a very pious ~~pe~~ people. The Word of God was being sent ~~xx~~ all through the land, so Frederick the King was another scoffer and one day he turned to this/~~poor/chap~~; ^{courtChaplain} and he says give me a word , some proof that Christianity isn't true. And he ~~said-~~ chaplain , ordered by the King to just give him in a word some proof that Christianity is true, the Chaplain said, The Jew , and Frederick couldn't answer because God has chosed that of all the ancient peoples: the Assyrians, the Babylonians , and the ancient Egyptians --where are they. They have disappeared , but the Jew has ~~been-~~continued and in every nation you will find the Jew . You will find them continually giving lip service to the O.T., you will continually keeping aloof and ~~awy~~ away from idolatry all through these years. You will find them ~~continually~~ continuing as one of the ancient peoples that have continued, giving by their very existance the proof that God is ~~eary-~~ carrying on His promises and God has preserved them as a nation, and God has something for that nation in the future. God said to Abraham that them that them that curse Abraham God would curse and him that blessed Abraham God would bless. The Jews are like all other people. They have their good people and their bad people. All nations have them, but perhaps the Jews are ~~most~~ more outspoken than most nations, ~~wnd~~ and when you hear one of them that is aggressive, he is apt to be real aggressive and we take one that is real aggressive and grasping, and we make him a symbol of the whole nation. And them people have
