

God our Father, we know you have told us in your Word that Satan is transformed into an angel of light. We know, our Father, that it is impossible for us to resist his attacks or his wiles in our own strength. But you have said to us that if we submit ourselves to God and resist the devil he will flee from us. O, our Father we pray that you will help us to judge by their fruits. Help us to judge righteous judgment. Help us not to judge on the basis of personal qualities or inferior questions, but by that which is vital. O our God we pray for each here, that you will help us in our contacts, in our cooperation, in our work to make our lives count for our Lord Jesus Christ. We ask in our Saviour's Name. Amen.
