

What a wonderful treasure God has given His church in the Word of God, pure, perfect, undafiled, free from error. It is living and vital. Thank God for the evangelical Conference here with its emphasis upon the Word of God. May the leaders of Protestantism throughout South America be vigilant to the dangers of encroaching unbelief. May they ever take a strong stand against the unbelief of the so-called World Council of Christian Churches, and continue in the course their churches have followed from their inception, standing truly for the Word of God, and preaching salvation by faith alone, through the finished work of Jesus Christ, our Saviour. May they ever give absolute loyalty to the complete teaching of the inerrant Word of God.

Perhaps there are some here today who do not realize the wonderful treasure we have in the Word. Perhaps there is someone here who does not know its wonderful message, that God is willing to pardon sinners freely, through simple faith in Christ. You need not attend ceremonies or rites or do penance, or follow any man-made practice. It is only necessary to come as a guilty sinner to the foot of the Cross and receive salvation as a free gift from the Lord Jesus Christ. He is ready and anxious to receive you into His kingdom and to give you a new life. He will then give you power to live as He wants you to live. He will help you study His word, ~~and~~ that you may understand its vital truths.

Let us pray: - O God, our Father, we thank thee today for thy Word. We thank thee that it is true and dependable. We thank thee that it is free frm all error. We thank thee for the internal evidences of its accuracy and dependability. We thank thee for the new evidence that has come to light in recent years from archeology. Help us, we pray, to defend ~~the~~ Word from the attacks that are made against it, and to ~~help~~ ^{assist} people to see its truth and dependability
