

trodden of the Gentiles until the times of the Gentiles be fulfilled. Just how long ~~x~~ that's to be ~~x~~ I don't know until the times of the Gentiles be fulfilled, but certainly/all the Roman Empire ~~Empire~~ behind them they failed to enable the Jews to rebuild the temple, and then of course , about three centuries after that the Mohammedans came and conquered Jerusalem, and the Mohammedans took the place ~~x~~ where the ancient temple ~~x~~ was and on that foundation, they built the beautiful Mosque of Omar. They said that the whole of the ~~k/labor~~ ⁴ revenue of Egypt for eighty years went into building that Mosque. I was in Jerusalem in 1929 and was impressed by the crowded city where all of these houses crowded around, and/in that large open, flat space in the ~~x~~ city the finest thing in the city ~~witx~~ with a big wall around it with the big mosque of Omar and the mosque of _____ are there and much empty space behing them, the remains of the area where the temple of Solomon was . And you go over to the edge of that and you look down . And down below you see where the foundation~~x~~ stones of the Temple of Solomon, and there beside them you see the bearded Jews at the wailing wall, the remains of the temple of Solomon, weeping over the departed glofy of Jerusalem. Today, ~~yxxxx~~ the Jews can't even get to the wailing walls to weep there; today it is in the hands of the Moslems that are about two blocks away from it , the no man's land, ~~x~~ one block of territory which has been ~~x~~ ravaged with the fighting of since 1948 and barbed wire this side and barbed wire~~x~~ that side . And you walk between, and nobody from either side can cross them without being in danger of death from being ~~xx~~ shot from both sides. The~~xxxx~~ Jews cannot ~~xxxxxx~~ even get to the wailing wall today, the border of the area of the temple of Solomon. And so this is the prediction that Jerusalem shall be trodden down of the Gentiles until the times of the Gentiles be fulfilled. Has been fulfilled up to the present time, ~~is/~~, ~~g~~ though the power of the Roman Empire was used by one who wanted to prove Christianity false in the attempt to make it untrue.
