

~~through~~ Now these are some ~~of~~ of the clearest cases. Of course there are many cases in the Bible. We have these little steels put t here , these little ~~xxx~~ evidences put there that ~~the~~- this is God's word and behind the human authors, there was an intelligence guiding, ~~it~~ guiding , overseeing their very words in order that ~~all~~ often their words would express ideas which in the light of future human events would be seen to show an intelligence far beyond the human intelligence of the writers, because this is God's inspired word, free ~~form~~ from error, giving us this knowledge of these physical and historical things, but above all ~~giving~~ giving us the knowledge of the spiritual fact that are vital to ~~our~~ our lives . Oh these historical fulfillments are wonderful , but even better are the fulfillment in the life of Christ the prediction of the place He would be born , of the manner of His birth, the place where He would begin His ~~x~~ preaching , the miracles which He ~~wrought~~ wrought , and ~~many~~ many a prediction fulfilled in His death. We looked at some of those this morning in our discussion of Psalm 22. Because ~~if~~ that of course is the heart of the matter. They used to say All roads lead to Rome . Well, everything in the Bible leads to Christ. And everything about Christ leads to the center of it all, that He came to bare our sins on the cross. That He came in order to make it possible that sinful man who deserves nothing good, man whose life is just a vapor, man whose life is just a waste, because there's no objective , there's nothing real , he can accomplish, because it is a life of sin. That life can be changed and transformed by the Spirit of God and made worthwhile, because our sins were laid on Jesus Christ, if we believe on Him and are born again by His shed blood. ~~xxx~~ Let us pray.
