

I doubt if anyone here will accomplish as much as Elijah did in his great stand on Mt. Carmel. I pray God that some of you may. But I do hopw that when you do accomplish something, you won't do like Elijah did, stop there and fail to push on and go forward. You will have successes, you will have reverses. You will have seeming failure. But if you will keep your eyes on the Lord and keep studying His Word there is no limit to what God may accomplish by anyone of those gathered here. Let us pray,

O God our Father we thank you for your Word, that it is the truth, it is the only truth that we can depend on. There is much else we learn that is very valuable but it can be greatly revised with further investigation and with learning further about it. But what we learn from your Word, what is truly taught there we can stand upon. Help us, our God, to keep learning, to keep studying, and help us in our lives to keep observing, to avoid the mistakes that great men of God have made that have cut down greatly on their success and their accomplishments. Help us that our lives may count for the utmost for our Saviour. We ask in Jesus' Name, Amen.
