To start new organizations by pointing to the the effect of modernism

Enditsed inomists wishested to seem pour regarding the applicant's deduction to teaching, uncliented ability and personal integrity, capacity to stimulate curiosity and zest for learning in students, interest in fundamental educational had great numbers of old still arties it he september of the best in who and and one had a great influence on every continent in leading thousands to belief in Christ. People in these denominations were tremendously interested in that work. Forty years ago that was the most effective way of calling attention of people who were gradully being fed poison to the need of getting away from it, opposing it, and of forming organizations that would stand true to God's Word, to point out to them what was happening in the missionary work of these organizations.

I do not believe that would be a very effective approach

today. The apostasy Mad has gone so much further that most of them are speaking of their missionaries rather as fraternal workers and are giving their emphasis to a great extent to social development, or to progress toward communism, rather than toward advancing the knowledge of Christ out Many have been reredually a swep to be along. I don't believe to I set 198 Upper 198 Upper 25% Upper 198 Upper 25% Native Intellectual Abilit. awakened today as they could 40 years ago. Breadth of General Knowledge But today I believe anyone who truly believes in God " word willidd Ability to Express Himself in Writing and anyone who stands for the great blessings that we industrial today enjoy as a result of the outworking of the Word of God in our society, that any such person can be aroused if the facts are Trial are brought to his attention about the NCC and the WCO and t and so I believe it is very important for each of us as we go out Position

to serve the Lord that we be aware of the developments and

activities of these two closely related organizations.
