Our Father as we look forward to the day of prayer we pray you will prepare each one of us and enable us to look to God, to look to ourselves and see our sin, and look to the Holy Spirit to cleanse us, to look to our associates and see where we are wrong in relation to them and how we can help them, to look to the world and how to make ourselves felt with our prayers in every part of the world as we think of its needs and pray God's blessing. We ask in Jesus' Name. Amen.
