a potential of then going on and doing similar work elsewhere.

May God give us vision to look beyond our immediate situation, a vision of the world that does not know Christ, add that needs to know him, a vision of the opportunities and needs. May He give us the courage to each one to step out and make our actions count for him. Let us pray:

Our Father, we thank you for Paul the Apostle, who was ready to become a slave to everyone to win as many as possible. Who was become all things to all men that by all means he might by all possible means save some. We know we need to get a livelihood. It may be your will to provide through Christian people. It may not. We know we have a right to enjoy the good things of this life, to enjoy all fields of culture in proper areas as secondary matters.

Help us to realize that every Christian is called to make Christ known, and is called to show others how to turn from darkness to light and help others grow in grace.

We thank you we here have the opportunity to devote our full time to studying your Word, learning your truth, learning to understand what you want your people to know. Help us to use what we learn to the advancement of your gospel. We ask in Jesus' Name. Amen.
