## Second John

The trouble is it sounds beautiful this idea of introducing a new type of society and making the world over by social changes but it does not work. The way it works is to get Christian love into people's hearts founded on the truth of the Bible, and where you have gotten that then true generosity, true improvements, true kindness comes. But where you con't have Christian love, you can make any sort of changes in society you want, and in the end it does not produce happiness.

Happiness, Christian love must be basedon true doctrine. John says, If there come any unto you and bring not this doctrime receive him not into your house neither bid him Gosppeed. For he that biddeth him Godspeed is partaker of his evil deeds.

We can trust the Scripture. It is God's true. It is God's Word. We can build our lives upon the Scripture. If we follow it He will use us to accomplish His purposes.

Let us pray: Our Father we thank you for the truth of the Scripture. We thank you for John the Apostle of Love. We pray that that love which endumenth all things, that love which is not seeking personal gain but only the glory of Christ may flower in our hearts and be shown in our relations with others. Help us to show this suffering world the true love, the love that seeks to bring the story of Christ and how He words died that whosoever believeth in Him might not perish but have eternal lifem, that doctrine upon which all the true advances that have been have been found. Help us to stand foursquare against apostasy and unbelief which in the end brings darkness and death. Help us we pray to judge righteous judgment. We ask in Jesus' Name. Amen.
