

Preparing your self for His service. But everyone of you is going to have temptations, problems, difficulties. The sad thing is that in a group of this size if the Lord tarries, we know there are those who will be led astray into lies, that will accomplish little for God and are often led astray by the smallest fact.

God wants us to live constantly in the knowledge of His presence. To avail ourselves of the power that He so wants to make available to us and to be content with the results that may come because we know that He is in control and His purposes are better than ours. Let us pray.

O God our Father we thank you for the personal assurance that you exist that you are powerful that you are interested in each one of us. We know it's your desire that we live as in your presence. That we realize your power and wonderful purposes. O God help us to bow thee in adoring worship of our Saviour, of Him who gave His life that we might be saved. Help us to bow in adoring worship of the majesty of the triune God. Help us day by day, step by step to live in your presence putting you first in all things and carrying out as far as we can ascertain from the Word your purposes for each one of us. We ask in Jesus' Name. Amen.
