

but I hope it will include something at least about his recent experiences because I believe it is something it's very important we all be aware of. Beware of the yeast of the Pharisees.

Let us take to heart the message Mr. Conant gave us. Let us; beware that we as Christians are not misled by these forces that would destroy our testimony and make our lives such that the Lord may shatter us. But I believe we all must beware of the leaven of the Sadducees. Let us pray.

Our Father we thank you for the 34 churches you enabled Mr. Conant to have such a vital part in delivering from being forced under the yoke of Methodist modernism. Our God we see how unbelief is spreading and gaining strength in this country. We see the tenacles of the WCC and NCC. Help us we pray to do our part each one of us as we have opportunity in helping to protect people from that which would destroy their faith. Above all that we lead individuals to salvation through Christ and help them to see how they can grow in grace and in the knowledge of our Lord. We ask in Jesus' Name. Amen.
