Let us think of the outward appearance. Man looks to the outward appearance. Let us strive that our outward appearance not keep people from listening to us and getting the value that God wants us to give to them.

Let us pray: God our Father, we look up in awe to your majesty. We look up in adoration to your holiness. We look up with gratitude as we think of what you did when you sent your one unique Son to give his life for us. O our God we pray that we may be living as in your presence, that our hearts may become more and more as you would have them to be. Our Father help us to serve you in a practical way. Help us to think of the outward appearance also because it affects what men will think of us and therefore how effective we will be in serving our Saviour.

Help us our Father to live as in your presence, and to make our lives as you would have them to be. We ask in Jesus' Name. Amen.
