

- 1 Boat trip down the Grand Canyon in 1921
Honeymoon couple perished
Coolidge took interest in efforts to find them
Conjecture what happened to them--flash flood

- 2 Not many years later I took same trip but not worried because had a revelation
those people who died did not have
Prov. 29:18
Scientists derive most of what they know from revelation

- 3 What kind of world lies beyond the Pacific ocean in China?
Need a revelation
God's revelation Heb. 1:1

Sister's visit to him when a student at U. of Berlin. She did not know
any German so asked him to accompany her to department store. Clerk spoke
in German and sister in English. He could understand both.

God's desire to communicate with those he has created
- 4 Words constantly change meanings

Letters his mother wrote him about Sam Sutherland or some other Sam.
Wanted to know more details but she could not remember details. Wrote
a reply, and he could not remember what question he had asked.

When problems arise people go to see what some person says about it rather
than to the Word of God
- 5 Interpretation of a revelation may be difficult

- 6 Waste time when driving if don't have a revelation (map)

Disappointment of kind of books sold in Christian bookstores.
