The Case for Inerrancy: A Methodological Analysis   by R. C. Sproul

The Confessional Method
Berkouwer shrinks from inerrancy
Berkof see Berkouwer moving through three different stages of
Biblical views
The strength of the method of confession as advocated by Berkouwer
The weaknesses of this method

The Presuppositional Method
Circular reasoning
Van Til

The Classical Method
Progresses from premise of basic or general trustworthiness
of Scripture to the conclusion of inerrancy of infallibility.

Method does not involve circular reasoning
