

CHAPTER IV. Effect on other books.

Point out how the method used in Pentateuchal criticism has been extended to most other books of the Old and New Testaments. Get one or two particularly flagrant instances. Try to find two or three good quotations from recent critical authors on other books, showing the fallacy of it as applied there.

CHAPTER X The Attitude of Christ toward the Pentateuch.

At this point, where the criticism began we have solid evidence of the attitude of our Saviour. Various attitudes. The question: Is Christ our Master or not?
