

#14 In the Ukraine which was the most prosperous section of ~~the~~ Soviet Russia with the finest farm lands, an artificially produced famine killed millions of people--a good example of what they will do wherever it helps to advance their cause.

#15 During the last 5 years the Soveits have brutally murdered hundreds of thousands of Afgan people with only the flimziest sort of excuse for ~~their entrance~~ <sup>sending armies</sup> into that land.

#16 Their only purpose in talking about arms reduction is to get us off our guard and try to secure a strategic advantage over us.

#17 Any Christian who does not go to the polls in November, and ~~vote against any~~ when he would have an opportunity to vote against a congressman who has opposed strengthening the U.S.A. and favored <sup>a</sup> weak stance before Russia deserves the curse of Judges 5:23.
