

3. Precise statements about references in Homer to the Mycenaean age, as to accuracy of his references to particular places.

3.41-25¹⁰ xx-14e Finley, M. I., The World of Odysseus p. 67 Neither Taphos nor Temesa is otherwise known as a place name, and the many attempts, all failures, to identify them with one or another mining region illustrate once again the futility of such "historicizing" of the Homeric poems.
