Baker, Sheridan, The Practical Stylist (Thomas Y. Crowell Co.: New York) 1962
Sheridan Baker is Professor of English and a veteran teacher of creative writing at the University of Michigan. He has shown many students the way to professional and prize-winning publication. His own published writings include poems and scholarly articles, contributions to the National Science Foundation's biological style manual, and a forth coming volume on Hemingway. Mr. Baker is now advisory editor in composition for College English and editor of the Michigan Quarterly Review.
