Dear Dr. McRae:

Would it be possible for you to get something together for distribution from this office at this time dealing with the National Council's apocrypha issue? I personally know of no one better qualified than yourself. It would be of great value to our cause if we had something to distribute. We need it at once.

Mrs. Finkelstein inquired of the N.C.C. and learned that Nelson's will publish copies of the R.S.V. with and without the apocrypha. This seems to be a subtle way, however, for the N.C.C. denominations to sell the thing to their churches as Holy Scripture. The possibilities of referring to it by Sunday School lesson writers are unquestionable.

Please return the enclosed news release to us for our files. Hoping you can help us,

Sincerely yours,

*William A. Robbins*
